

The Mennonite Brethren Church of Manitoba Northern Congregations Special Funding – Other Events

Our churches in Northern Manitoba are all 7 – 8 hours drive away from Winnipeg, the largest population base in the province. There are many resources available to churches in southern Manitoba to which the northern churches do not have ready access.

To compensate for this and to give the northern churches a greater feeling of connection, funding is available to help pay for guest speakers for 5 events per year (3 youth retreats, May Long Weekend Conference and The Women's Retreat).

- 1) Travel expenses: The equivalent of a 4-day rental car plus fuel to a maximum of \$250.00 per event.
- 2) Honoraria: \$250.00 per event, assuming that the churches will pay a portion of the honoraria as well.
