

## Steinbach Bible College

**Steinbach Bible College is an evangelical Anabaptist college empowering servant leaders to follow Jesus, serve the church, and engage the world.**

### student experiences

**Steven – BA Christian Studies – Pastoral**

I was blessed to write a research paper on prayer seen in the book of Acts in my first year and that theme has stuck with me throughout all my years here at SBC. Prayer unites our heart with the Father's heart and releases the reality of Heaven onto the earth. As we pray, God moves!

I have been blessed to participate and see the discipling of prayer grow throughout my time here at SBC, seen especially through: prayer meetings in dorm, Tuesday lunch hour prayer time, prayer time at the beginning of class, as well as spontaneous prayer times throughout the day by various people! This has been an enriching discipline that has grown in me from my time at SBC!

**Taylor – BA Ministry Leadership – Youth**

Music has always been my soul language and being involved with music ministries here at SBC has been challenging, encouraging, and incredibly fulfilling.

God has taught me how to be a vessel, how to step back and let Him move when on stage and even when just practicing, which translates into how I should be living moment to moment. He has shown me so much of His heart and I'm finding new ways to fall in love with Him whenever I worship.

### sbc core values

- ▶ **Bible** – Dig deep into the Bible; let God's story come alive.
- ▶ **Community** – Receiving and giving; mentoring and friendship bonds grow deep and strong.
- ▶ **Discipleship** – A safe place to struggle through faith issues and be challenged in one's thinking.
- ▶ **Mission** – Serve cross-culturally and locally; discern gifting and career direction.

### mission xposure

One of SBC's distinctives is the "MX" program. Being exposed to the needs of this world and to the opportunities to live out the Gospel are necessary to extending the learning beyond the classroom and into the world. Every student participates in a different trip each year of study:

- ▶ **Pursuit** (4-month discipleship training school) – Brazil\*
- ▶ **First-Year Students** – Inner-City Winnipeg
- ▶ **Second-Year Students** – Northern Manitoba
- ▶ **Third-Year Students** – Uganda\*

\*Usually a different International destination is chosen every year.

## new programs

1. **Online BA Ministry Studies** – Making Bible College education available to students who require the flexibility and autonomy of earning their degree online. SBC is the only ABHE accredited Bible college offering a 3 year Bachelor of Arts degree completely online.
2. **BA Marketplace Ministry** – For students following God’s call to engage the world vocationally. Two years of SBC training is combined with one (or two) years of vocational training to create this holistic BA degree.
3. **Pursuit** – A four month DTS (January through April) for young adults who desire to pursue God through travel, leadership experiences, discipleship, worship, community and mission. Includes three mission/service trips.

Through the Province of Manitoba’s degree granting act, Steinbach Bible College is authorized to grant degrees. Steinbach Bible College is a fully accredited college with the Association of Biblical Higher Education (ABHE).

Thank you to the MBCM for supporting your students as they follow God’s calling in their life to study the Bible at SBC.
