Greetings to Mennonite Brethren Church of Manitoba

Here's a glimpse into CMU classrooms this year:

Introduction to Global Health | Dr. Rachel Krause | Examines infectious and neglected tropical diseases, malnutrition and the nutrition transition, maternal and child health, and environmental health.

Business and Sustainable Development Goals | Dr. Jerry Buckland | Critically examines the UN's sustainable development goals as objectives to achieve human and environmental health.

Graphic Design | Craig Terlson | Studies the creative use of the elements and principles of design as applied to graphic communication, and of the use of symbols, pictographs, writing, and letter forms.

Bible and Emotion | Dr. John Boopalan | Asks if human flourishing today is better enabled in allowing the manifestation of the full range of human emotions in religious and public life.

Disruptive Good News: The Church in Acts | Dr. Shelia Klassen-Wiebe | Asks how the contemporary church can learn from and be challenged by the same disruptive Spirit found in the book of Acts.

The Neuroscience of Social Behavior | Dr. Delmar Epp | Explore the neural processes underlying important aspects of our social behavior, including neuroscience perspectives on person perception, the need to belong, intergroup relations, and aggression.

Resourcing the church

Xplore | A lifelong learning program investigating dimensions of Christian faith, our world, and life. Spring session begins February 21, 2023. Visit cmu.ca/xplore.

Graduate School of Theology and Ministry | Study part time or full time, in person or online. Full scholarships for full time students available. Visit cmu.ca/gstm.

ReNew | Pastor and church leader conference, happens January 30-31, 2023. Visit cmu.ca/renew.

"Alongside its theological commitments, we also recognize and value the unique approach to academics and pedagogy that CMU embodies. We value its rigorous, dialogical, interdisciplinary, and deeply embodied way of knowing."
